

CHOPIN ACADEMY SCHOLARSHIP WINNERS 2025

YOUR IMPACT

The Chopin Society of Atlanta is proud to introduce the Chopin Academy Scholarship Winners 2025. The summer week-long Academies in Atlanta and Vienna, Austria, have provided a vital educational support for young piano students, who are dedicated to enriching their understanding and appreciation of Chopin's music.

We are delighted to announce that we awarded 27 scholarships this year.

It is only through the generosity of many individuals that these opportunities are made possible. To help us continue providing valuable educational programs to a growing number of deserving young pianists, we invite you to support the Chopin Society of Atlanta and our worthy initiatives.
