

Dear Community Businesses:

The Chopin Society of Atlanta, a not-for-profit organization devoted to promoting music, culture and the arts in Atlanta, will be hosting its 2010 'Evening with Chopin - Annual Fundraiser' with concert, dinner and silent auction, to raise funds for operating year 2010-2011. This tenth annual event will be held at the Country Club of the South in Jones Creek on November 6, 2010. We hope you will join us and/or consider donating an auction item, gift certificate or gift basket.

Our goal is to continue to generate appreciation of Frederick Chopin's music, while this year celebrating Chopin's 200th anniversary. We accomplish this by promoting performances of Chopin's music by talented young musicians and organizing competitions for the youth of Atlanta.

We usually hold concerts at the Roswell Cultural Arts Center, where internationally renowned pianists such as Marc Laforet, Piotr Folkert, Adam Makowicz, Sa Chen, Christopher O'Riley, Ingrid Fliter and Kevin Kenner have performed and have met with enthusiastic praise from classical music lovers. Many of our concerts have been sold out and have been accompanied by related art exhibitions. At our next concert on September 25th we will present Joyce Yang, Silver Medal winner at the Van Cliburn International Piano Competition.

Please join the Chopin Society of Atlanta and make a tax-deductible contribution. For any items to be auctioned at the November 6th event, please contact Halina Szlam at hszlam@bellsouth.net or Barbara Leszczynski at bjl@selconex.com. A CSA committee member will be happy to pick up the item at your convenience.

As a donor, you will receive publicity prior to and during the event. Please submit your donation no later than October 15th, to ensure proper and timely recognition.

Thank you for your support of the Chopin Society of Atlanta and for promoting music, culture and the arts in metropolitan Atlanta.

Sincerely,

Dorota Lato
