Dorota Lato
President
Chopin Society of Atlanta

540 Morton Mill Court
Alpharetta, GA 30022

Dear Madam President,
Dear Members and Friends of the Chopin Society of Atlanta,

I wish to express my great satisfaction of the creation in this historic city of Atlanta of a new organization: the Chopin Society.

This initiative is very close to my heart, just as the music of Chopin is close to the hearts of all Poles. I am pleased that the sentiments and energy of so many people have been engaged in the popularization of Chopin's legacy, and the legacy of Polish culture in this historically significant place in the United States.

It is my wish that your Society have many successful events that will contribute to the colorful fabric that marks the meeting of our two cultures, Polish and American. I am sure that today's concert – dedicated to the music of Frederic Chopin – will be one of these events. I wish all of you an unforgettable evening, full of the most beautiful experiences in this Roswell Cultural Arts Center in Atlanta.

With kindest regards,

Przemysław Grudziński,
Ambassador of the Republic of Poland.
